

Secure mailing

How does it work?

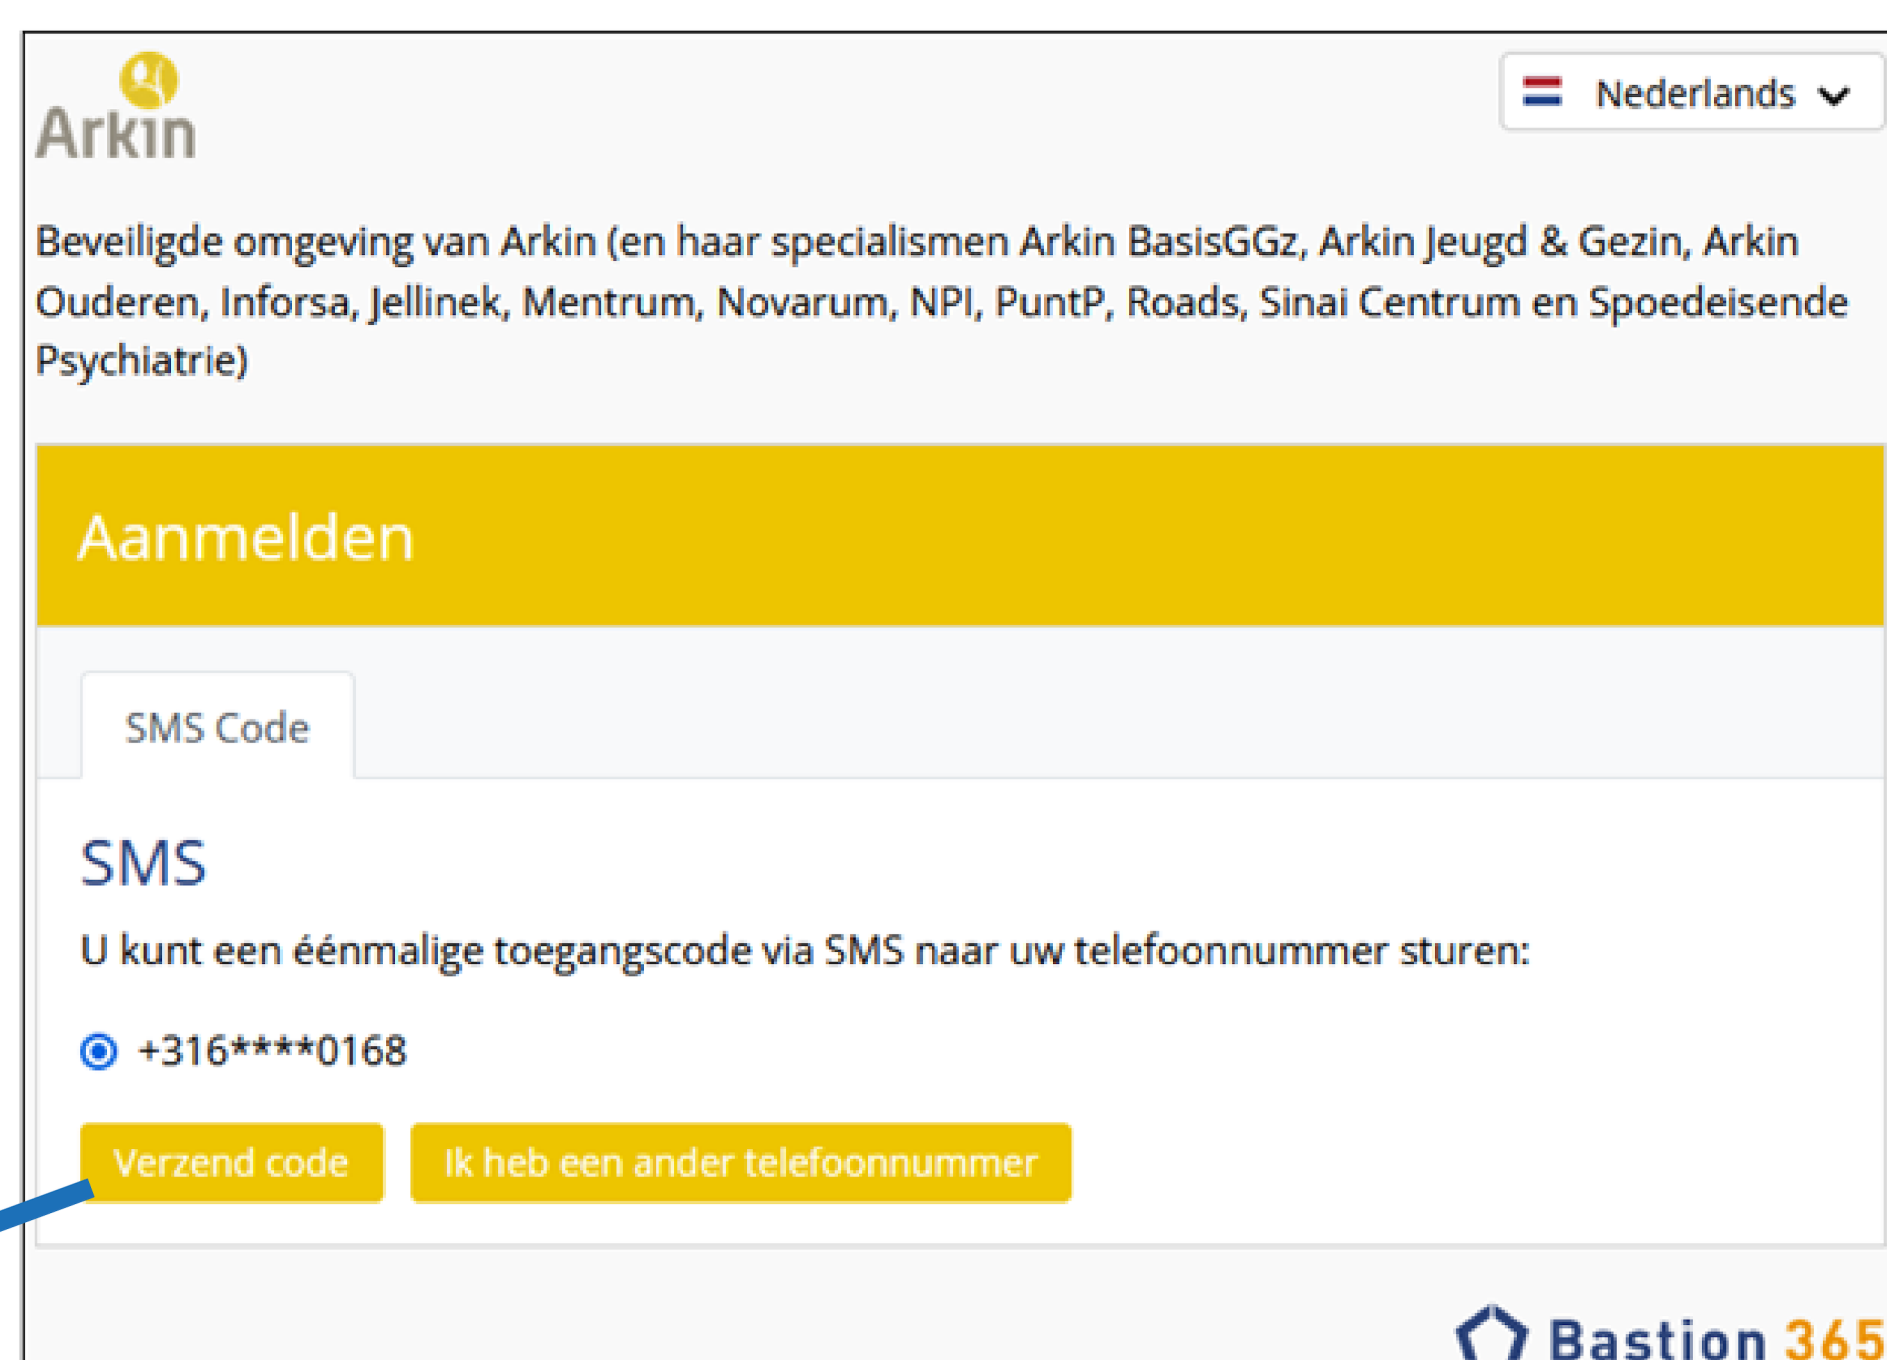

Starting from March the 8st, 2023, Arkin will send confidential emails using a secure connection.

When you open a secured email, you will see the following screen:

Press 'Beveiligde e-mail lezen'

The following screen will open within your browser:

Press 'Verzend code'

You will receive a code through a text message. Put the code into your browser to open and read your secured email.

Questions? Contact your therapist.
